

PLAYER VOICE IS CREATING A YOUTH FORUM IN LONDON

Following Player Voice's Football Unites project, we are setting up a new Youth Forum, funded by the Mayor of London.

Player Voice is really excited to create this new opportunity for both young men and women footballers aged 13-19 years old to make up the Youth Forum.

We need your help in engaging with young footballers to apply.

The aim of the group is to enable young players to:

- Express their voice on issues about the 'young footballing journey' and social issues that affect them as players
- Learn about campaigning and advocating for themselves and other young footballers
- Influence policy change in clubs and Player Voice's future projects
- Have the opportunity to collaborate with each other
- Develop new skills with guidance and support from experienced facilitators
- Meet with and present to the Mayor of London's sports team

Young people's commitment is required between September 2023 to September 2024

- Attend 4 x face to face meetings in London (location(s) TBC)
- Attend occasional online meetings when possible
- Attend 2 mentoring sessions with one of the experienced facilitators

This is a unique opportunity for young players to make a difference in the footballing community.

What can you do to help us?

1. **Share and promote this with your network**
2. **Send the poster to parents/carers of young footballers you know / work with - our aim is to create a diverse group of young people**
3. **Let us know if you can provide a space for the meetings or support in another way**

Any young male or female footballer can apply from academy to grassroots

Meeting travel expenses are all covered

First meeting will be on the week of 9th October, Brixton

MAYOR OF LONDON

Apply here: <https://bit.ly/PVYFapp>

First meeting week commencing 9 October 2023
